Our venue offers a great location for your next party or special event. We have both indoor and outdoor space options for small or large groups. We have a spacious tasting room with a 30' bar. There is ample seating both inside and outside for large groups, including a comfortable lounge seating area and a 65" flat screen television. Our tasting room has two outdoor covered patio areas (one has an enclosure), and a fire pit with plenty of seating for your group to enjoy, or you may choose to use our outdoor tasting area under the beautiful oak trees, in our Oak Grove area. We also have a BBQ's that is available for your use during your event. There are plenty of activities for your group to enjoy, including a bocce ball court, giant Jenga, and corn hole.

No outside beverages are allowed on winery grounds. We offer soda, (lemonade or tea, if requested in advance) available for purchase. We also have bottled water. Your group is welcome to bring food or use your own favorite catering service and other food vendors, or we can provide you a list of vendors in the area. If you are considering a food truck, we do have space for parking – please contact us and we can discuss further details for a food truck.

Children are welcome at Julietta Winery. However, as a winery, we are primarily an adult venue and there are limited activities for children. All children must be supervised and stay with your group. Pets are welcome, and must be on a leash.

The following is a pricing guide to use our **facility during normal business hours (11 am – 6pm)** for your event, does not include special setup. Events outside of normal business hours, in the back or under the oaks, may have additional fees, including \$200 bar set up fee. Depending on the number of attendees, day and time, and number of hours requested, and other options, prices may vary. Please call for availability and additional information for your special event. **Note:** Julietta Winery Wedding Package and pricing is provided in a separate handout.
